Pairing the Speaker

1. Turn the speaker ON by moving the **[POWER]** switch to the ON position. A tone will be heard and the Bluetooth LED indicator will **quickly flash BLUE**.
2. Set your mobile device to search for Bluetooth devices. When your mobile device finds the speaker, select **PBT524** from the list of found devices.
3. Once successfully paired, a tone will be heard and the Bluetooth LED indicator will **slowly flash BLUE**.

For iOS or Android

- Go to **SETTINGS > BLUETOOTH**
(Make sure Bluetooth is turned ON)

The screenshots above are typical of many Bluetooth-enabled devices in the market today and are used to assist in the explanation of the pairing process. Your Bluetooth-enabled device's interface and interaction with the speaker may differ slightly from the illustrations above.

In the Box

In the Box

- PBT524 - Wireless Speaker (x1)
- Micro-USB Charging Cable (x1)
- User Manual (x1)

Location of Controls

1. **[POWER]** Switch:
Power speaker ON/OFF
2. Bluetooth LED Indicator
3. Micro USB Charging Port
4. Charging LED Indicator

Charging the Speaker

WARNING: While charging, the speaker should NOT be exposed to any water or liquid.

Remove the rubber protective seal on the back of the speaker. Attach the small end of the micro USB cable to the USB port. Connect the large end to the USB port on your computer, your USB charging device, or **5V USB adapter** (not included) and plug into a wall socket.

The LED indicator will **turn solid RED** while charging and turn OFF when fully charged.

Using the Speaker

Be sure to charge the speaker for 3 - 5 hours before using for the first time.

WARNING: This speaker has an IPX-4 rating.

This means it is protected from a splash of water in any direction for no more than 10 minutes, **but CANNOT under any circumstances be submerged in water.** The protective rubber seal needs to completely cover the speaker's input panel to protect it from water damage.

If the Speaker Gets Wet:

If you are going to charge the speaker, move the speaker to a dry location, dry the speaker off, then undo the rubber seal, checking that nothing underneath the seal is wet, before attaching any cables to the charging port.

Powering ON/OFF

- Turn the speaker ON/OFF by moving the **[POWER]** switch to the ON/OFF position.

Playing Music

To enjoy music wirelessly on your speaker, make sure that it is properly paired to your Bluetooth-enabled device. If you are pairing the device for the first time, please consult the **Pairing the Speaker** section of this user guide.

Legal Information

READ THIS CAREFULLY AND SAVE FOR FUTURE REFERENCE

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

WARNING Li-ion Battery Inside

This product is fitted with a Li-ion battery. Do not damage, open, or dismantle the battery and do not use it in damp and/or corrosive conditions. Use only with compatible chargers. Never dispose of batteries in a fire, and never expose them to high temperatures. Do not expose the product to temperatures exceeding 60°C (140°F).

Rain/Moisture Warning

- Do not expose the unit to extreme temperatures (heat or cold), open flames, humid conditions, or wet conditions.
- Do not submerge in water.
- Do not open this product or attempt to repair the unit yourself should it not be working.

Legal Information

Direct current

Comply with Waste Electrical and Electronic Equipment (WEEE) Directive (2012/19/EU)

The product is in compliance of energy efficiency.

This symbol indicates that information could be exchanged between wireless devices such as personal digital assistants (PDAs), mobile phones, laptops, computers, printers and digital cameras via a secure, low-cost, globally available short-range radio frequency band. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc.

Warranty Information

This product as supplied and distributed new by AIT, Inc. ("AIT") to the original consumer purchaser is warranted by AIT against defects in material and workmanship for a period of one year from your date of purchase ("Warranty"). In the unlikely event that this product is defective, or does not perform properly, you may within one year from your original date of purchase return it to the authorized service center for repair or exchange.

TO OBTAIN WARRANTY SERVICE:

- Go to our website portal to receive an SRO number.
- Provide proof of the date of purchase within the package (dated bill of sale).
- Prepay all shipping costs to the authorized service center, and remember to insure your return.
- Include a return shipping address (no P.O. Boxes), a telephone contact number, and the defective unit within the package.
- Describe the defect or reason you are returning the product.

Your product will be repaired or replaced, at our option, for the same or similar model of equal value if examination by the service center determines this product is defective. Products received damaged as a result of shipping, will require you to file a claim with the carrier.

The shipping address of the authorized service center is:

AIT, Inc.
Customer Service Dept. 36
c/o Southern Telecom
400 Kennedy Drive
Sayreville NJ 08872
